School Care for Students in  
Grades Pre-K through 8

**Forest Lake**  
EDUCATION CENTER

1275 Learning Loop  
Longwood, FL 32779  
(407) 862-7668 ext. 278

**Forest Lake**  
EDUCATION CENTER

## ACADEMIC TIME

Students will have the opportunity to complete homework, study, read on their own or in groups, and receive extra academic support. Students should come each day with a book to read and an activity book. This valuable time will help students prepare for academic success.

## RECREATION TIME

Children in the after care part of our program will have time to participate in developmentally appropriate interactive activities and meaningful play experiences. Weather permitting, students will have access to supervised play on the playground and an assortment of interactive play centers.

# A PART OF THE FAMILY

Welcome to our Student Care Enrichment program. Our goal is to provide a program that offers children educational, social and recreational activities within a caring Christian environment. We are here to assist parents and provide morning and after school care to the children of Forest Lake Education Center. Our program strives to treat each child like they are a part of our very own family.

“Our kids love  
this program.”

## Helpful Tips

Parents can help their child's day in a positive way by:

- \* Sending snacks for their child if the child has any food allergies or is a choosy eater.
- \* Making sure their child has all their personal items before leaving.
- \* Allowing time for their child to finish an activity in which they are involved when being picked up.
