Paying Your Tuition

Statements

Statements are emailed at the beginning of each month. Payment is due by the last day of each month. If the account is not paid by the last day of the month a \$40 late fee will be charged. Failure to keep an account current could result in dismissal.

Previous Balance

The account for the previous year's expenses at FLEC or other Seventh-day Adventist educational institutions must be settled before a student is permitted to enroll for the current school year. Any delinquent accounts remaining from a brother or sister who attended FLEC must also be settled before another family member is admitted.

Account Status

The financial sponsor is expected to maintain the account current. The student must obtain financial clearance at the following points:

- a) at the beginning of each nine-week period
- b) in advance for graduation

Past Due Action

30 Days – a letter is sent to the financial sponsor(s) requesting payment and the account will be included in an aging list sent to the Finance Committee and Board chairperson.

60 Days – a second letter is sent to the financial sponsor(s) requesting prompt action on the account. The account will be reviewed at the next Finance Committee meeting. Any decision to remove a student from school due to financial difficulties must have final approval from the Finance Committee.

Refunds

The application and registration fee is non-refundable.

When a student withdraws from school, tuition and other fees will be prorated. The effective date for the refund calculation is the date the student officially withdraws. Registration, Tuition Management fee, and the application fees are non-refundable. All withdrawal requests must be submitted in writing and returned to the Registrar.
